Teaching Experience

WORKSHOP INSTRUCTOR

Conjoint Analysis: Visual and Interview Approach (*CSDC Winter Methods School, Université de Montréal, Jan 2024*)

TA FOR MCGILL COURSES

POLI 311 Introduction to Quantitative Methods (*Prof. Aaron Erlich, Jan-Apr 2024*)

POLI 210 Political Science Research Methods (*Profs. Dietlind Stolle and Aaron Erlich, Sep-Dec 2023*)

POLI 435 Identity and Inequality (*Prof. Narendra Subramanian, Jan-Apr 2023*)

POLI 349 Foreign Policy of Asia (*Dr. Jaeyoung Kim, Sep-Dec 2022*)

TA FOR SHORT COURSES

Spatial Data Visualization in R (*Dr. Sakeef Karim, Nov 2023 and Nov 2024, Florida State University*)

R Programming Summer Camp (*Prof. Tim Elrick, Aug 2023, CSDS-McGill*)

Research Assistance

May – Jul 2021 & May- Jun 2022: Spinoza and Servitude (*For Prof. Hasana Sharp, Dept. of Philosophy, McGill*)

May - Jul 2020: Bio-Medical Ethics (*For Tammy Molina, Interior Health of British Columbia*)

Service and Public Engagement

Fall 2022 ISID Talk Series **"Adivasi Agency and Environmental Jurisprudence in India"** interview with Dr. Geetanjoy Sahu.

2021-2022 Co-Lead of Planning Committee for **"Solidarity Against Authoritarianism in Asia"**.

Research Training

QUANTITATIVE

- Multiple Linear Regression (ICPSR, Grade A)
- Categorical, Ordinal and Count Outcomes Analysis (ICPSR, Grade A+)
- Causal Inference: DiD, IV, RDD (POLI 666, Grade A-)
- Conjoint Survey Experiments
- Spatial regression and mapping

QUALITATIVE

- TCPS-2 Canadian Research Ethics Certificate
- Voter and Elite interviews
- Shadowing and Participant Observation
- Discourse Analysis
- Ordinary Language Analysis

Skills

SOFTWARE

- R and R Markdown
- LaTeX and Overleaf
- GitHub
- Qualtrics
- GIS

LANGUAGES

- English (Fluent)
- Marathi (Fluent)
- Hindi (Fluent)
- French (Reading and Oral Comprehension)

Fieldwork

July 2024-April 2025: Across Maharashtra, India

- Participant observation, shadowing, and managing survey data collection for project on non-partisan grassroots organizations.
- Interviews and collection of governance data and survey experiments for project on local government election delays and rural governance vacancies.
- Interviews and surveys for project on electoral ambition.
- Interviews and surveys for project on turncoat patrons and ideological transformation.

September 2024: Haryana, India

- Observing collaboration between grassroots organizations and party workers during Haryana's state elections.

May-July 2023: Nandurbar and Dhule Districts, Maharashtra, India

- Conjoint surveys and voter interviews in 40 villages as Principal Investigator, managing a team of 4 Research Assistants and translators.

May-June 2018: Jalgaon and Nandurbar Districts, Maharashtra, India

- Conducted fieldwork in 5 villages in the Fifth Scheduled Area to study the implementation of the Panchayat Extension to Scheduled Areas (PESA) Act.
- Evaluating the sustainability of drip irrigation for cotton cultivation in 2 agricultural communities
